Introduction:

Welcome to Cessnock Golf Club. The redeveloped Cessnock Golf Course has rapidly gained a reputation as one of the leading courses in the Hunter Valley. We are particularly proud of our greens, we hope you enjoy the challenge.

We would ask you to adhere to these points of etiquette.

- There is a dress code for the course and the clubhouse, this needs to be followed.
- There are rules for usage of carts owned by the club or by individual players, rules are for the safety of all and for the maintenance of the course and will be strictly applied.
- Any individual 18 hole round of golf should be completed in under four and a half hours. Players in competitions may be penalised if they exceed this time, social players may be asked to leave the course if they are holding up other groups.
- Only alcohol purchased at the club may be consumed on the course property.
- Please be courteous and give way to green staff at all times.
- Please repair all divots and damage done to greens and fairways. Please carry a sand bucket and use it generously if a repair is required.
- Please do not hit up on other players.
- Please advise the club pro or management if your ball hits a car, house or other property that is adjacent to the course.

Every effort has been made to ensure this program was accurate at the time of printing. CGC apologises for any inconvenience caused due to a late change in event schedules. Changes will only be made in the event of unforeseen circumstances. All events are open to male and female members, juniors and visitors with approved AGU handicaps. Visitors may not win the major prize in "Board Events".

Saturday Events:

Hit off times are 7.00am - 11.00am. Tee time bookings are required and can be made online or in the proshop. The course will be open to social players from 11.30am. Presentations will be completed between 4.00pm and 4.20pm. Groups who are unable to complete their

rounds by the start time of the presentation may forfeit any prizes to which they may be entitled.

Black tees will be used for all Monthly Mugs and other major events. The Captain may choose to bring the tees forward if the weather and lack of run on the course would make play very challenging. Blue tees will normally be used for other events. Ladies will play off the red tees.

JUNIORS:

On any Saturday when there is an individual event there will be a "Junior Category" prize. This is aimed at encouraging junior participation. The prize will not be awarded if the leading junior wins a prize in the main competition.
