Introduction:

Welcome to Cessnock Golf Club. The redeveloped Cessnock Golf Course is rapidly gaining a reputation as one of the leading courses in the Hunter Valley.

We would ask you to adhere to these points of etiquette.

- A dress code for the course and the clubhouse, this needs to be followed.
- Rules for usage of carts, be they owned by the club or by individual players, these rules are for the safety of all and for the maintenance of the course and will be strictly applied.
- Any individual 18 hole round of golf should be completed in under four and a half hours. Players in competitions may be penalised if they exceed this time, social players may be asked to leave the course if they are holding up other groups.
- Only alcohol purchased at the club may be consumed on the course property.
- Be courteous and give way to green staff at all times.
- Repair all divots and damage done to greens and fairways. Carry a sand bucket and use it generously if a repair is required.
- Do not hit up on other players.
- Immediately advise the club pro or management if your ball hits a car, house or other property that is adjacent to the course.

Every effort has been made to ensure this program was accurate at the time of printing. Cessnock Golf Club apologises for any inconvenience caused due to a late change in event schedules. Changes will only be made in the event of unforeseen circumstances. All events are open to male and female members, juniors and visitors with approved AGU handicaps.

Saturday Events:

Hit off times are 7.00am - 11.15am. Tee time bookings are required and can be made online or in the Proshop. The course will be open to social players from 11.30am. Presentations will be completed between 4.15 and 4.30. Groups who are unable to complete their rounds by the time of the presentation may forfeit any prizes to which they may be entitled.

Black tees will be used for all Monthly Mug and other major events. Blue tees will normally be used for all other events. Ladies will play off the red tees.

Champion of Champions:

Each of the twelve Monthly Mug winners from December 2016 through November 2017 will be invited to play off for the title of Champion of Champions. This will be a stroke event on the first Saturday in December 2017 and will correspond with the first day of the next twelve month cycle. The Champion of Champions will be eligible to win the December, 2017 Monthly Mug. In the event of a tie the normal count-back rules will apply.

Eclectic:

An eclectic will run on selected Saturdays from the 4th February until 18th November. The specific Saturdays will be indicated on the Club noticeboard. The Sunday of the Championships will be an eclectic score day. Scores will only be included if they are made during individual events. Cost for entering the event is \$2 and then there is a 20 cent charge for each score change. A record of player scores will be regularly updated on the Club Noticeboard. An official record will also be kept by the Club Captain. Accuracy of the scores is the responsibility of each individual player.

Consistency Trophy:

Commencing on Saturday 11th March and concluding on Saturday 28th October the club will run a competition to find the most consistent golfer. Twelve single stableford events will be nominated as "counters". The winner will be the player who can accumulate the highest tally when his or her best eight rounds are added together. A running total will be displayed on the Club Noticeboard.

Ladies:

The ladies play socially on Monday and run a competition on Wednesday. Contact the Proshop for event times and details.

Tuesday Event:

A single stableford competition will be run each Tuesday, provided no other major event is scheduled. This competition is open to all male and female members and to juniors and visitors with approved AGU handicaps. Tee off time is 7am until 9.30am, pre-booking a tee off time through the Proshop is recommended. Social players will be welcome after 9.30am.

Friday Event:

A 9 hole stableford "dash" competition is held each Friday provided there are no other major events scheduled. Hit off is a walk up start. The specific competition nine is nominated each week and is subject to the greenkeeper and pro reviewing course management. This competition is open to all male and female members and to juniors and visitors with approved AGU handicaps.

VETS – Thursday:

The VETS play an 18 hole competition each Thursday morning. Occasionally there is a major event on the course, on these days the VETS visit another course. Hit off is between 6.30am and 7.45am with a walk up start. Presentations are held between 12.45pm and 1.00pm. The type of event is determined by the VETS Captain and announced a week in advance. Events are open to members, ladies and visiting VETS who have AGU handicaps.
